WARNING

This document contains classified information affecting the national security of the United States within the meaning of the espionage laws U. S. Code Title 18, Sections 793 and 794. The law prohibits its transmission or the revelation of its contents in any manner to an unauthorized person, as well as its use in any manner prejudicial to the safety or interest of the United States or for the benefit of any foreign government to the detriment of the United States. It is to be seen only by personnel especially indoctrinated and authorized to receive TALENT-KEYHOLE information. Its security must be maintained in accordance with KEYHOLE and TALENT regulations.

PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1a (DIA). The photographic analysis for this particular report was performed by the Production Center 1P1a.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

25X1A
25X1A

Kardla Army Barracks Southwest (Coordinates: 58-59-32N 022-43-20E; [REDACTED]) is located at the southwestern edge of Kardla (Figure 1). The barracks installation covers approximately 55 acres and contains 2 administration buildings, 2 barracks, 5 storage buildings, 6 probable vehicle storage buildings, a probable vehicle maintenance building, and 3 support buildings (Figures 2 and 3).

Kardla Army Barracks East (Coordinates:

58-59-55N 022-45-28E; [REDACTED])

is located in the eastern part of Kardla. The barracks installation covers approximately 7 acres and contains an administration building, a barracks/administration building, 3 barracks, and 2 support buildings.

The barracks installations are each covered on 4 KEYHOLE missions between [REDACTED]. Comparative analysis reveals no significant change.
